Additional Internal Reference Information:

Important Notes:

1. Initial Visit code plus designated CPT codes.
2. Established Visit code plus designated CPT codes.
3. Any medication/injection codes that require a form to be completed will be the clinic's responsibility to process. Financial Services will be responsible for verifying eligibility and benefits and also work the follow up codes and other procedure codes as requested. Once the codes Financial Services requested are approved you will mark the Visit Info section as "Clinic Responsible" and "Stat" the referral so it lands in the clinic WQ for them to process injection code.
4. Please warm transfer to Front Desk ext. 22799. If no answers send a CRM to the clinic using Communication or RAV CRM reference guide based on scenario.
5. For any insurance or authorization issues please send a CRM to the clinic using Topic/Subtopic: Cancel Notification/ Patient Not Financially Cleared, **do not** contact the patient. The clinic will contact the patient.
