CHILDREN'S HOSPITAL

*Foundation*

Join us as we celebrate our 27th Annual Loma Linda University Children's Hospital Foundation Gala, Creating a Masterpiece. For more than 25 years, Loma Linda University Children's Hospital has innovated healthcare to serve the most critically ill and injured children of the Inland Empire. Our hope is that through Vision 2020, the Campaign for a Whole Tomorrow, we can continue to lead the way to creating healthy and happy futures for the children of our community.

Children's Hospital provides the highest level of trauma care for the 1.2 million children of San Bernardino, Riverside, Inyo and Mono counties – making it your Children's Hospital.

With one of the largest neonatal intensive care units in Southern California, a pioneering heart transplant center, comprehensive cancer treatment and much more in a whole-person care environment, Loma Linda University Children's Hospital is constantly advancing our vision for extraordinary healthcare.

Because the future starts with the past, we invite you to create our masterpiece with us, as we look toward the future.

Your support of our 27th Annual Loma Linda University Children's Hospital Foundation Gala helps us continue to bring hope and healing to the children in our community.
